## *Staying Covid Safe*

As we all adjust to a new reality, we strive to provide the safest possible environment for you with easy access to hand sanitizer, reducing touch points and increased level of cleaning, with your help we are determined to make it through this crisis, and to come through it better and stronger for our customers & our teams.

We hope you enjoy your experience with us, and rest assured that your safety (and our teams safety) is paramount. Please speak to one of the events team regarding table sizes, rules and current government legislation at the time of booking.

Ask a member of the team if you would like to make a reservation and also for details on how to pre-order. Full allergen information on the ingredients in the food we serve is available on request. Please advise the team of any dietary requirements before ordering. All of our dishes are prepared in kitchens where nuts and gluten are present as well as other allergens; therefore we cannot guarantee that any food item is completely free from traces of allergens, due to the risk of unexpected cross contamination. Whilst we take care to preserve the integrity of our vegetarian & vegan products, we must advise that these are handled in a multi-kitchen environment.
